4 hours from New York**

Ranked as **#1 Caribbean
location for doing
business (Forbes)**

Ranked **#2 in Nearshore
Americas' Top Ten BPO
Value Destinations (2023)**

itel JAMAICA

Known for its legacy in hospitality and tourism, Jamaica is one of the leading outsourcing destinations for BPO and CX delivery services.

Our two main locations include a large four-building seaside facility in **Montego Bay**, with **spectacular views of the Caribbean Sea, the city center, and the nearby mountains**. This state-of-the-art facility is designed with a modern aesthetic and interior styling, and features vibrant wall art and décor, as well as indoor and outdoor social spaces, and a large cafeteria with an open-air seaside terrace.

itel JAMAICA

While our new 90,000 sq. foot “Chalmers” facility can be found in the heart of Kingston, **nestled in a bustling city of commerce with a young, growing workforce.** Featuring ultramodern spaces with organic touches that reflect the natural beauty of the Caribbean, this purpose-built facility is an oasis within the city, ensuring optimal employee comfort, while housing up to 1,140 employees, with room to grow.

CX Outsourcing in

Saint Lucia

CX OUTSOURCING QUICK FACTS

Saint Lucia was not only voted one the most beautiful islands in the Caribbean, it's also a leading outsourcing destination, eager to grow their BPO industry.

Top tier brands are tapping into Saint Lucia's pool of young, fluent, tech savvy workers who, because of the focus placed on post-secondary education, have the skills and sophistication to serve global commerce, coupled with some of the lowest turnover rates in the industry.

INFRASTRUCTURE & COMMUNICATIONS

- **Airports: 2**
- **IT Infrastructure: Saint Lucia Internet Exchange (SLIX) ensures high speed data transfers**
- **Mobile Speed: Ranked 52 out of 180 countries for mobile data speeds (Ookla, 2023)**
- **Information Security Laws: Electronic Crimes Act of 2009**

EASE OF DOING BUSINESS

itel

Time Zone: **UTC-4**
(**Eastern Daylight Savings**)

Flight times: **3.5 hours from Miami/**
4.5 hours from New York

Recognized as Best Island to Invest
(European Business Magazine, 2018)

Rated one of the lowest-risk
locations to outsource – 124th
riskiest (World Risk Index, 2020)

Saint Lucia offers many benefits, from a growing BPO sector to a largely untapped workforce of skilled and enthusiastic job seekers.

itel's reputation as an employer-of-choice on the island makes this a wonderful place to source specialized, highly skilled talent capable of delivering world-class customer experiences.

Retrofitted from old factory shells, and redesigned the "itel way", this facility features an open-air campus-like feeling, with a dedicated People Resources and Culture support center and training facilities. It also has a large cafeteria and unique chill spaces.

itel SAINT LUCIA

itel SAINT LUCIA

In Vieux Fort, you'll find our innovative, four-building facility, set in a tropical paradise.

Located only two minutes from the international airport, our site is easily accessible for client visits. In fact, our clients love this location so much, since the launch of our first Saint Lucia site in 2020, we have expanded our facilities three times to support increasing demand.

Honduras

itel

CX OUTSOURCING QUICK FACTS

itel

Honduras has attracted considerable attention in recent years due to having the **youngest** labor force in Latin America, and the largest number of bilingual schools in Central America.

Honduras produces over **10,000 Spanish/English bilingual graduates per year**, many who are trained in technical and contact center skills.

itel

PEOPLE & CAPABILITY

Official Language:
Spanish

Total Labor Pool:
4.61 million (2022 est.)

Central American Technology University produced 4K graduates trained in contact center skills (2017)

Strengths:
Large young population, bilingual Spanish/English capabilities.

A woman with long dark hair and glasses is sitting cross-legged on a large, intricately carved stone pillar. She is wearing a blue denim jacket over a purple shirt and blue jeans. She holds a black smartphone in her right hand and points towards it with her left hand. A yellow laptop is open on her lap. The background is a composite image featuring a digital network overlay with blue and red lines and nodes, overlaid on a photograph of ancient stone ruins. The 'itel' logo is in the top left corner.

itel

INFRASTRUCTURE & COMMUNICATIONS

- Airports: **4**
- Telecom Infrastructure: **3 submarine cables guarantee highest redundancy in LATAM**
- Mobile Speed: **Ranked 83 out of 180 countries for mobile data speeds (Ookla, 2023)**
- Information Security Laws: **Transparency and Access to Public Information Law (2006)**

EASE OF DOING BUSINESS

itel

Time Zone: **UTC- 6**
(**Central Standard Time**)

Flight times: **2.2 hours from**
Miami/4.2 hours from New York

Highest increase in competitiveness
in the LATAM region
(Global Competitiveness Report, 2019)

Rated as one of the fastest growing
economies in Latin America
(World Bank, 2019)

itel HONDURAS

If you're looking for bilingual Spanish/English talent, Honduras provides one of the best outsourcing locations in which to scale your bilingual support channels.

U.S. companies will find that the local culture is heavily influenced by American brands, which makes it an excellent location to find the most passionate brand ambassadors.

Committed to expanding its technology and BPO sector, Honduras has recently launched state-of-the-art, sustainable Business Parks in key locations.

itel HONDURAS

Nestled within the modern Altia Smart City complex in San Pedro Sula, our new facilities offer unparalleled safety and employee well-being. Located close to major arterial routes, and some of the country's top universities, it also makes sourcing bilingual graduates easier.

The new tower boasts a contemporary lobby and top-notch designs, with beautiful common spaces for employees to enjoy, and access to Altara Mall. Two floors of production spaces can easily accommodate 600 agents, with room for further expansion.

CX Outsourcing in

Belize

CX OUTSOURCING QUICK FACTS

Though a relative newcomer, Belize should not be overlooked as a CX outsourcing destination. It's the only Central American country with English as its official language. It boasts a well-educated young labor force with neutral dialects, and a strong affinity for U.S. media and brands, which makes Belizeans ideal candidates for contact center work.

Belize also enjoys some of the lowest attrition rates in the industry, as job seekers value opportunities outside traditional sectors like tourism or agriculture.

itel

PEOPLE & CAPABILITY

Official Language:
English

Total Labor Pool:
195,596 (2023 est.)

Ranked #13 globally in Government
Spending on Education (UNESCO, 2021)

Strengths:
Strong English proficiency, record low
attrition, affinity for U.S. brands

The logo for 'itel' is positioned in the top left corner. It features the word 'itel' in a bold, lowercase, sans-serif font. The background of the entire slide is a complex network diagram with nodes and connecting lines in various colors (blue, red, yellow, green) and numerical values scattered throughout.

INFRASTRUCTURE & COMMUNICATIONS

- Airports:
4 major airports/ 1 international (BZE/PGIA)
- IT Infrastructure:
Belize Telemedia Fiber Optic Network
- Mobile Speed:
Belize DigiCel, winner of Speedtest Awards for mobile network speed (2018)
- Information Security Laws:
Belize Data Protection Act, 2021

4.5 from New York

Ranked #1 Value Destination for
Business Process Outsourcing
(Nearshore Value Index, 2023)

itel BELIZE

Belize is gaining notice as a promising value destination for CX outsourcing. With a focus on technical training in tertiary schools, it's the perfect location to access high-quality talent, especially in the digital services and tech sector.

Our brand-new, 40,000 sq. foot customer experience delivery center in Belize City is in a prime location, only a 15-minute drive from the international airport.

itel BELIZE

This modern, spaciouly designed facility can house up to 800 employees and features vibrant social spaces and comfortable production floors that enhance our employees' wellbeing and productivity.

With central access to all main thoroughfares, we can connect to a strong labor pool - many of which are graduates of Belize's world-class technical schools, giving you access to a young energetic workforce with a high competency for data science and technology.
